

SIMULATIONS & ROLE-PLAY

1. Your pen friend from England is coming to Slovakia and asked you to prepare a trip for him. Plan him a 5-day trip.

2. Your mum wants to hire a flat in a town because she hates living in the village, but you like village life, and you would like to stay there. Persuade her not to move there.

3. Your friend has invited you to a fast-food restaurant. A healthy lifestyle is very important for you and also healthy eating. Try to explain to him why fast food isn't good.

4. Give directions to someone who has lost his way and wants to get to the nearest hotel and see some exciting places in Bratislava.

5. Your friend is still on his computer watching NETFLIX or playing some games. Try to get him out or persuade him to start doing some activities.

6. What are the advantages of reading books?

7. After finishing school, you want to work abroad, but your parents want you to go to university. Give some reasons why working abroad is good after school and why you don't want to go to university.

8. Your mum has bought you a T-shirt, but you don't like it. Go to the shop to return it and buy the one you like. Explain to the shop-assistant what type of T-shirt you want.

9. You were asked to give short information about your school.

10. Describe the situation at the doctor's.
